

TENTATIVE SCHEDULE FOR THE 2014

7 E's 4 POWER TOUR (105 EVENTS)

The Hip-Hop Against Gun & Gang Violence (HAGGV) project is an innovative proactive 7-prong initiative that teaches and trains students and young adults how to end gun and gang violence in their school and community. The annual Hip-Hop Against Gun & Gang Violence Week initiative launches a 105-day campaign and tour that begins a week prior to Memorial Day Weekend and ends Labor Day. These holidays represent the unofficial start and end of summer—a period when gun violence spikes. The project works with celebrities, students, community/business leaders, clergy, gang leaders, seniors and formerly incarcerated citizens. Activities offered include our Community Ambassadors 4 Peace initiative; Rap 2 Bridge the Gap; Time 2 Shine Talent Showcase; Solution Summits; Shark-A-Nomics; Hip-Hop Book Club; the Daymond John Academy; films; gun buy-back programs; trips; Celebrity PSA's; prize give-a-ways; essay contests and sports/entertainment events.
